ANN TOROK Receives Lifetime Service Award

At the February League meeting Ann Torok was presented with a Lifetime Service Award for her 46 years in the League of Women Voters – in Connecticut and North Carolina.

Ann has served as President, Vice President, Secretary, Membership Chair, and Chair of Voter Services. Voter Services is her favorite role, and defending democracy is her passion. She has registered voters across Moore County, organized information booths, worked tirelessly on Candidate Forums and Voter Guides, testified for Fair Districts at the state level, rallied in Raleigh to ratify the ERA, and served as League liaison with the Council on Aging. All this while faithfully attending League Board and monthly Luncheon meetings, as well as state and national Conventions.

Congratulations and gratitude to Ann for her many years of service in the League of Women Voters!!

Note Time of Event: 4:00 - 5:00 p.m.

Braver Angels: A New Way of Talking Politics
Presenter: Lisa Wells

Lisa Wells, a California native now residing in Whispering Pines, is the founder of Wells & Co, a marketing and operations consultancy. She serves as co-chair of the newly established Braver Angels Alliance of the Sandhills. Braver Angels is a nationwide grassroots movement dedicated to bringing Americans together to bridge the partisan divide and strengthen our democratic republic. They envision an America with a respectful embrace of political disagreements, where civic friendship flourishes and competing perspectives strengthen our nation. Braver Angels Alliance supports principles that bring us together rather than divide us and emphasizes empathy, underscoring the belief that love of our country is demonstrated through concern for our fellow citizens.

Recent Moore County LWV "Happenings"...

Over 100 people attended the **free showing of *The Social Dilemma*** on March 1, with a discussion led by former NC Associate Justice Robert Orr. This was the second event made possible through a Unity Grant to the League and the Sandhills Coalition for Peace, Love, and Justice from the Carter Center through Root Change.

Thanks to Agnes Gioconda and other League members for their organizing and to Mary Rocca for designing the poster.

P.S. If you missed the movie, you can view it on Netflix!

Special thanks to League members who served as judges for the **Moore County Middle School Debate Competition** at Sandhills CC on March 5. More than 75 students from every middle school in the county participated. Two young women from West Pine Middle won first place. A coin toss to begin each of the four rounds determined which team would argue the Pro or Con of RESOLVED: Year-round Schools are Better for Students. The civil discourse and critical thinking skills of these students aged 11-14 was inspiring!

Many of us feel overwhelmed by information overload. Yet we want to stay informed. Here are five reliable, non-partisan sources of info on League issues. You may want to sign up for their monthly or weekly communication.
